

EXHIBITOR PROSPECTUS

MEETING PURPOSE AND AUDIENCE

The Western Surgical Association is dedicated to the cultivation, promotion, and diffusion of the art and science of surgery, to the sponsorship and maintenance of the highest standards of practice and to the delivery of the best possible care for the public. The purpose of the Annual Meeting is to provide information to the practicing surgeon that will enhance his/ her knowledge regarding new diagnostic modalities and therapeutic maneuvers. The scope of our activities is meant to encompass the breadth of general surgery, including the primary and secondary components and is intended for our members and guests who are surgeons in academic and private practice. Our activities focus on recent advances in basic science applicable to surgical practice, new developments in technology, issues in pre- and post-operative care; assessment of diagnostic accuracy and surgical outcomes; and critical analysis of the information provided.

WHY EXHIBIT?

Through your participation at the WSA Annual Meeting, your products and services will gain exposure to 250+ of the best surgical professionals in the west, boasting significant purchasing power. The exhibit hall is strategically placed within daily food and beverage events, providing plenty of networking opportunities. The Sunday – Tuesday format allows for easy and cost effective travel, and the timing of the meeting is perfect for decision makers.

EDUCATIONAL GRANTS

Western Surgical Association has a long history of quality academic research and welcomes educational grants and meeting support. If after reading the program you believe your company's current mission aligns with the abstracts or videos being presented, please contact Deborah East, Industry Relations Manager at deborah@lp-etc.com. Grants must comply with ACS ACCME guidelines. Together with industry, The Western Surgical Association continues to invest in advances in patient care.

BENEFITS OF MEETING SUPPORT

The exhibitor showcase is a great place to network with attendees, but how do you stand out in the crowd? By supporting an educational session you draw attention to your company's commitment to the WSA mission. Your support will be highlighted on signage, in the program book, meeting app, and on meeting title slides within the scientific session. Exhibitor Showcase Passports will be given to each attendee to encourage exhibit hall traffic, and there will be a drawing at the end of the meeting for a prize.
